**ARIZONA BOARD OF APPRAISAL
GUIDELINES FOR ACCEPTING QUALIFYING EDUCATION
TO BE USED AS CONTINUING EDUCATION**

All Board-approved courses for qualifying education may be used for continuing education, except the 15-hour national USPAP course, which may not be used for continuing education.

Except as noted above, the Board will accept completion of qualifying education courses as continuing education credit. Credit will be given only for a qualifying education course completed in its entirety; partial credit from one or more qualifying education courses will not be accepted as continuing education. If a qualifying education course is taken with the intention that the credit obtained be applied as continuing education, the examination need not be completed.
